HERE WE GO...

And now onto the 28th year of Shipston Proms. Once again the two weeks will cover as many different styles of music as possible and encourage everybody to

HAVE A GO.

Several events are dedicated to let people show what they can do including **Shipston Introducing**, the **Open Mic**, the **Folk Night**, and the **Songs From the Shows**.

Longborough Opera are involved again after last year's inspiring Open Rehearsal by their Youth Chorus at the Scout Hut. The LFO Youth Company will be running through their parts for the production of Hansel and Gretel. **Please note it's on the weekend before the Proms fortnight starts - Sunday 14th June.**

Our Launch Night on Friday 19th June features a groovy **Studio 54 Club Disco Night**. Get in the mood for the festival with Anthony from our vinyl record shop **Expressions Of Sound** spinning tunes.

A new one this year is the **Musical Comedians** event with 3 top comedians who use music as part of their comedy act including Hannah Brackenbury 'Brighton's answer to Victoria Wood'.

The **Ibiza-on-Stour Dance Party** is split into afternoon and evening shows this year. Brace yourselves for an exhilarating day of dancing with a selection of top local DJs.

On Saturday 4th July **The Last Night Of The Proms** features 3 local bands. **The Drop Outs**, **Texan Peacocks**, and **Orange River Remedy** - all featuring brilliant musicians from the South Warwickshire area.

All this and the usual mix of different genres from Classical through Jazz, Blues, and Country to Hard Rock. **The Shipston Pubs Trail** is on Saturday 20th June, and the **Primary Schools Concert** in St. Edmund's Church is on Wednesday 24th June.

Known for its strong community spirit Shipston Proms has become an important part of the calendar, and we get many positive comments from people who live in outlying towns about how Shipston has something special going on. Rick Parfitt Jnr. who was last year's headline was absolutely amazed at our achievement.

We've had more obstacles thrown into our path this year, but thanks to a dedicated committee of volunteers we're still delivering the full programme.

Thanks to all our sponsors, all the venues, and to the Friends Of The Proms.

Have fun. Please buy loads of raffle tickets and make generous donations...that's what keeps us going!

Shipston Music Society wishes Shipston Proms every success in 2026

The Society was founded over forty years ago. We hold eight meetings a year featuring live music or a talk on a musical topic. The music is mainly, but not exclusively, 'classical'.

Meetings are at 7.30 on the third Friday of every month (except January, July, August and December) in Shipston Methodist Church.

Members can come to every meeting at a substantial discount on the cost of eight individual tickets. If you come to a single concert and like us, the cost of your ticket will be offset against an annual subscription.

To find out more, please either fill in the contact form on our website: www.shipstonmusic.org.uk or telephone Laurie Grove, the Chairman, on 01608 662998.

MUSICAL COMEDIANS

RONNIE GOLDEN, RICHARD MORTON & HANNAH BRACKENBURY HOSTED BY LOCAL COMEDIAN ASHLEY FRIEZE

Here's an interesting departure from the norm for Shipston Proms. There are a number of comedians on the circuit who use music as the main feature in their acts, so we thought we'd collect some together and

MAKE A NIGHT OF IT.

Ronnie Golden worked closely with Barry Cryer and was a member of the Comic Strip group. Richard Morton was one half of The Panic Brothers and Hannah Brackenbury is 'Brighton's answer to Victoria Wood'.

What could possibly go wrong?
